

**TheraSport Physical Therapy**  
*Maximizing Performance & Rehabilitation*

Dear Patient:

Our policy at TheraSport Physical Therapy is to provide physical therapy services to our patients as prescribed by your physician. You are scheduled for follow-up appointments according to your physician's orders and the treatment plan set by your treating therapist.

If you cancel scheduled appointments, not only are you slowing your recovery you are considered **non-compliant** to the treatment plan, and are at risk for the insurance company not to issue payment for services rendered. If the insurance company rejects any claims due to **non-compliance**, you will be held responsible for all charges.

If you under a Workmen's Comp or Auto claim, all cancelled appointments will be brought to your Adjuster/Case Manager's attention. this policy is in the best interests of our patients. Cancelling scheduled appointments interferes with you treatment and the ability to overcome your injury.
